Grand Haven Township Extends Leaf Drop-off

Grand Haven Charter Township, Michigan, November 14, 2007.

Grand Haven Charter Township has extended the leaf drop-off program for an extra week. “The program has been extended until 6:00 p.m. on Monday, November 26th,” Township Superintendent Bill Cargo announced. “However, the drop-off site will be closed on Thanksgiving Day and the following Friday, November 22nd and 23rd,” Cargo noted.

“This has been an unusual season,” said Cargo, “The trees have held on to their leaves longer than typical, which means that residents aren’t able to complete the normal fall clean-up of their property.”

“Forestry experts have noted that a warm fall, like we’re having, can affect the process and delay many trees from dropping their leaves,” Cargo concluded.
