**GRAND HAVEN CHARTER TOWNSHIP BOARD**  
**MONDAY, JULY 22, 2019**

**WORK SESSION – 6:30 P.M.**

The Board discussed ordinance enforcement of parking in the Northeast quadrant of the Township. Community Development Director Fedewa reviewed a memorandum regarding parking regulations. Community Development Director Fedewa noted that these lots are often older and smaller; that some homes have created parking areas within the ROW; that staff are looking for a solution rather than only enforcement; and, the proposals offered are similar to those adopted by Spring Lake Village.

Public comments included:

1. An email from Mat and Bard Whitney (*15130 Deremo*) supporting change to allow parking within the ROW and preserves the appearance and safety of the neighborhood.
2. Amanda Shumaker (*15191 155<sup>th</sup> Avenue*) noted that her family has 4 adults and vehicles and needs some relief.
3. Dan Tlachac (*15333 Cherry Street*) is concerned with clear vision and public safety as related to the proposed new rules.
4. Corban VanHall (*15127 154<sup>th</sup> Avenue*) has five adults in the household and wants to allow parking on grass.
5. Eric Tlasma (*15191 155<sup>th</sup> Avenue*) has to juggle three cars and wants to have the option to park in the ROW.

Supervisor Renders questioned if the Ottawa County Road Commission would require a permit for parking spaces in the ROW and directed staff to discuss with the OCRC.

Trustee Behm noted that there should be limits on the number of vehicles (*e.g. two*); but, supports the amendments proposed.

Trustee Redick generally supports the amendments; but noted the following:

1. Should be limitations on the number of vehicles – perhaps a sliding scale;
2. Should include a setback from the paved surface (*e.g., sufficient to open a vehicle door*);
3. Should protect a clear vision area for drives and intersections;
4. Fees should be lower for renewals.

Manager Cargo noted that at the previous Board meeting a resident was asking for increased parking enforcement and the Board should understand that any solution will not make everyone “happy”. Most Township regulations are drafted to preserve property values. Also, fees should cover basic costs; but that renewal fees should be less.

Clerk Larsen asked how the Township would handle enforcement while an ordinance was being drafted. Manager Cargo noted that he would place a moratorium on enforcement for parking in the right-of-way for those areas that did not have curb and gutter. Other parking regulations would remain in effect. Community Development Director Fedewa opined that the adoption of new regulations would take about 90 days.

Township staff were instructed to draft a parking ordinance pursuant to the instructions received and bring the draft to a Board work session.

# SUPERINTENDENT'S MEMO

DATE: August 5, 2019

TO: Township Board

FROM: Cargo

SUBJECT: Petition for Maintenance, Improvement and Consolidation of Beechtree Drains

Attached, please find a petition for maintenance, improvement and consolidation of Beechtree Drains. Specifically, the following items have led to the recommendation from County and Township staff to schedule a Board of Determination regarding the Beechtree Drain:

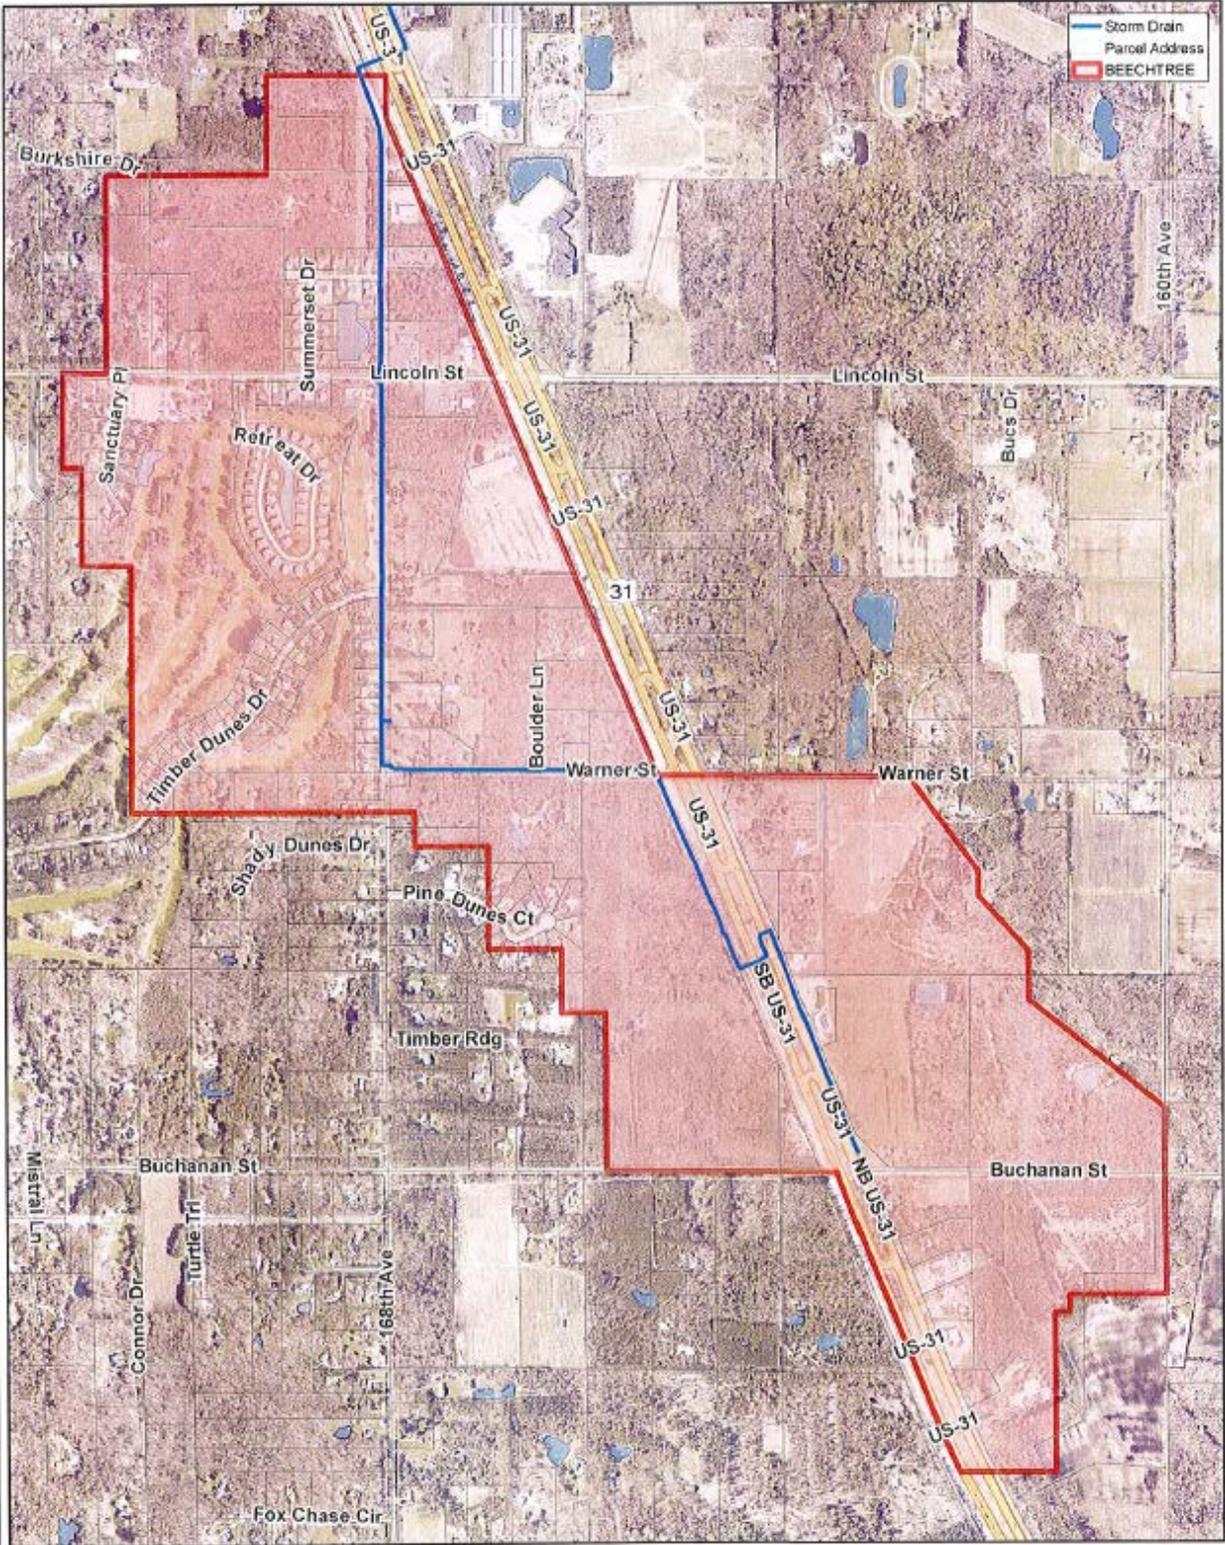

1. As part of the re-design of the American Dunes Golf Course (*i.e., formerly Grand Haven Golf Course*), the developer will be improving the drainage and retaining storm water on site for slower release into the Beechtree Drain. The infrastructure from these improvements will be brought under the control of the Ottawa County Water Resources Commissioner;
2. At the same time, some of the newer residential developments (*e.g., Sanctuary Place, The Retreat, and Summerset*) will be brought into the larger drain district – since the flow from these subdistricts flows directly into the Beechtree Drain;
3. And finally, the outflow from the Summerset subdivision into the Beechtree Drain needs to be improved to prevent “backflow” from major storm events flooding the residents on the pond.

Staff have met on site with the Ottawa County Water Resources Commissioner and his staff and agree that these changes and maintenance on the Beechtree Drain should occur. The aerial map at the end of this memorandum shows the “Beechtree Drain”.

If the Board agrees with staff recommendations, the following motion can be offered:

**Motion to approve Resolution 19-08-01 that authorizes the petition for maintenance, improvement and consolidation of the Beechtree Drains and Drainage Districts.**

If there are any questions or comments, please contact me at your convenience.

IMPROVEMENT OF DRAINS PURSUANT TO CHAPTER 8 AND 19  
OF THE MICHIGAN DRAIN CODE OF 1956, AS AMENDED  
BEECHTREE DRAIN #466**

To the Ottawa County Water Resources Commissioner:

The undersigned petitioner is Grand Haven Charter Township, County of Ottawa, State of Michigan, and does hereby petition for the maintenance, improvement, and consolidation of the drains known and designated as the Beechtree Drain, Lincoln West Drain, Golfview Subdivision Drain, and Sanctuary Subdivision Drain to be known as the Beechtree Drain, and the consolidation of the Beechtree Drain Drainage District, Lincoln West Drain Drainage District, Golfview Subdivision Drain Drainage District, and Sanctuary Subdivision Drain Drainage District, with the consolidated drainage district to be known as the Beechtree Drain Drainage District, located and established in the Grand Haven Charter Township, County of Ottawa, pursuant to Chapters 8 and 19 of Public Act 40 of 1956, as amended.

The proposed maintenance, improvement and consolidation is necessary for the public health, convenience or welfare and is further necessary for the protection of the public health in Grand Haven Charter Township. This petition has been authorized by the Township's governing body. A copy of the Resolution of the Grand Haven Charter Township is attached hereto.
