Community Development Memo

DATE: October 6, 2015

TO: Township Board

FROM: Stacey Fedewa, Planning & Zoning Official

RE: Grand Haven Financial Center – Rezoning Application (RR to SP)

The Grand Haven Financial Center has applied to rezone a 5 acre parcel (70-07-09-400-005) located at 16920 Ferris Street from Rural Residential (RR) to Service/Professional (SP).

This parcel was formerly owned by the Ottawa County Health Department, which has an existing 6,200 square foot office building.

The rezoning application was tested against the “Three C’s” evaluation method described in the 2009 Master Plan.

COMPATIBILITY

The zoning for parcels that border the applicants’ lot is:

North	R-1
South	RR
East	C-1
West	RR

The current Future Land Use map calls for the applicants parcel to be zoned Public/Quasi-Public. However, **because Ottawa County sold this parcel to a private party it will no longer be a public or quasi-public use in the future.**

Due to this unique circumstance, staff reviewed the surrounding future land uses in conjunction with the existing use of the parcel. As described on the map, the applicant's parcel is bounded by other parcels intended to be developed as Office/Service uses.

CONSISTENCY

The proposed rezoning is consistent with the existing land use (*an office building*), as well as the intended future land uses surrounding the applicant's parcel. Furthermore, the parcel exceeds the minimum design requirements for the SP district. The applicant is currently occupying the building in an office capacity, and intends to maintain said use.

CAPABILITY

Parcels within the SP district should be supported certain infrastructure features, including paved roads, natural gas, municipal water supply, and sanitary sewer. All features are currently present on site.

RECOMMENDATION

On September 21st the Planning Commission adopted a motion to recommend the Township Board approve the rezoning application. If the Township Board agrees with the aforementioned recommendation the following motion can be offered:

Motion to approve and adopt the Zoning Map Amendment Ordinance concerning the rezoning of 16920 Ferris Street, Parcel No. 70-07-09-400-005, from Rural Residential (RR) to Service/Professional (SP). **This is the second reading.**
