VII. PUBLIC HEARING – Liquor License Application – Hayes Street Liquor, LLC
Supervisor Reenders opened the public hearing at 7:19 p.m.

Manager Cargo reviewed the application noting that the State of Michigan will allow the Township up to ten (10) licenses for the sale and consumption of alcohol on-premise (*e.g., restaurants, etc.*). Currently, the Township only has four (4) on-premise licenses, meaning that up to six (6) additional licenses could be granted by the Township.

This hearing is to review a liquor license application from Hayes Street Liquor, LLC, that would be used in conjunction with the now bankrupt Grand Haven Nine Movie Theatre. Hayes Street Liquor, LLC plans to either reopen or lease the theatre to another company.

Manager Cargo noted that if any member of the public would like to comment on an Agenda item, they may now text your comments via Facebook live stream found at <https://www.facebook.com/GHTownship/> ; email bcargo@ght.org ; or call (616) 402-0350 when prompted. Comments through the phone are limited to three (3) minutes.

The applicant is represented by Attorney Keith Walker, who affirmed on behalf of his client that the liquor license application was for the “*sole purpose of conducting on-site sales of beer, wine, and liquor in conjunction with the operation of a movie theater*”.

No additional public comments were offered.

Supervisor Reenders closed the public hearing at 7:27 p.m.

VIII. OLD BUSINESS

This approval is contingent upon the applicant executing both the letter and affidavit. **Which motion carried** pursuant to the following roll call vote:

Ayes: Gignac, Larsen, Kieft, Reenders, Behm, Meeusen, Redick

Nays:

Absent:

2. Community Development Fedewa notes that COVID-19 has transformed the world we live in. This has resulted in the Stay Home Stay Safe Order from the Governor that has negatively impacted many businesses. In particular, the restaurant industry has been hit exceptionally hard.

On May 11th the Board heard the Minor PUD Amendment request for the Lakeshore Flats Apartments entryway sign. After a discussion with the developer, the Board adopted a motion:

1. Table the request,
2. Revise sign rendering to comply with 24 sqft maximum size, and

GRAND HAVEN CHARTER TOWNSHIP

Community Development Memo

DATE: June 4, 2020
TO: Township Board
FROM: Stacey Fedewa, AICP – Community Development Director
RE: Resolution 20-06-02 – Waive Temporary Signage Requirements

BACKGROUND

COVID-19 has transformed the world we live in. This has resulted in the Stay Home Stay Safe Order from the Governor that has negatively impacted many businesses.

Phase 4 of the MI Safe Start Plan has enabled many businesses to begin re-opening to the public incrementally and within the specified guidelines.

THE REQUEST

As Michigan continues to follow the MI Safe Start Plan, businesses will need to change the messages to their patrons. For example, capacity limits, revised business hours, curbside service, contactless delivery, etc.

For this reason, staff is proposing a Resolution to allow these businesses to convey the various messages necessary to help them survive this pandemic and inform their customers of changes, through the end of 2020.

The proposal is to waive all requirements—**no limitations on the number, size, or type of signs...within reason**. Utilizing that term will allow the Township to address any egregious signs such as a banner that covers an entire wall of a building.

2 EXCEPTIONS

Because folks can get quite creative with their signs, staff is proposing 2 exceptions:

1. Sign size, type, and number must be “within reason.” If not, GHT can require the business owner to change their signage into something that is reasonable.

2. Signs obstructing the Clear Vision of motorists, staff will contact the business to relocate the sign.

If desired, staff could remove non-Township business signs (*i.e., Mosquito Squad, We Flip Homes, etc.*) that clutter the right-of-way and are not helping our local businesses. These signs can be removed as they have in the past. Please advise.

WHAT ELSE CAN WE DO?

If the Resolution is adopted, staff intends to mail a letter to all Township businesses informing them of the sign allowance and request they contact us with any ideas or changes the Township can make to better assist them in surviving.

SAMPLE MOTION

If the Board agrees with this proposal, the following motion can be offered:

Motion to approve Resolution 20-06-02 to waive Temporary Sign requirements, permitting, and enforcement to help local businesses operate amid the COVID-19 pandemic.

Please let me know if this raises questions.

June 9, 2020

To our Local Business Owners,

Our community has been, and continues to be, greatly affected by the COVID-19 pandemic, the Stay Home Stay Safe Executive Orders, and the MI Safe Start Plan. The world we once knew, has changed, so the Township is changing too.

First, the Board approved a resolution allowing restaurants to establish Outdoor Dining by administrative approval only. Submit a zoning permit application with a dimensioned sketch. Permit fee waived and this method is available through the end of 2020.

Second, the Board approved a resolution waiving temporary sign regulations. With everything changing so frequently, GHT wants to make sure you are able to convey messages to the community regarding the myriad of changes we're experiencing (*i.e., hours of operation, occupancy limitations, contactless delivery, face coverings required, to-go food only, etc.*). Within reason, there are no limitations on the number, size, or type of signs. Please be sure to keep corners clear so motorists are able to see on-coming traffic.

Lastly, GHT wants to know **what else we can do to help you survive this pandemic?** Please share any and all ideas with us, so we can make changes to help you succeed.

Please contact me if this raises questions.

WHEREAS, the MI Safe Start Plan requires incremental re-opening such as limiting capacity, curb side service only, contactless delivery and revised business hours; and
